Young man, there's no need to feel down
I said young man, pick yourself off the ground
I said young man, 'cause you're curious like mad
There's no need to be unhappy

Young man, there's no need to feel down
I said young man, pick yourself off the ground
I said young man, 'cause you're curious like mad
There's no need to be unhappy

Young man, there's a place you can spy
I said young man, when you're eager to pry
You can work there, and I'm sure you will find
Many ways to have a good time

It's fun to work for us at NSA.

It's fun to work for us at NSA.

We have everything for young men to enjoy

You can hang out with all the boys

It's fun to work for us at NSA.

It's fun to work for us at NSA.

We have everything for young men to enjoy

You can hang out with all the boys

... at NSA.

It's fun to work for us at NSA.

You can watch all the cams, you can hear all the mikes

You can do whatever you like

Young man, are you listening to me
I said young man, what do you wanna be
I said young man, you can make real your dreams
But you've got to know this one thing

No man, does it all by himself
I said young man, put your pride on the shelf
And just go there, down to the NSA.
I'm sure they can hire you today

It's fun to work for us at NSA.

It's fun to work for us at NSA.

We have everything for young men to enjoy

You can hang out with all the boys

It's fun to work for us at NSA.

It's fun to work for us at NSA.

We have everything for young men to enjoy

You can hang out with all the boys

... at NSA.

It's fun to work for us at NSA.

You can watch all the cams, you can hear all the mikes

You can do whatever you like

Young man, I was once in your shoes
I wanted more than just public news
asked what Merkel, and her friends had just said
and who is with whom in bed

That's when, someone came up to me
And said young man, here's the data you need
There's a place there, it's called the NSA.
Uncontrolled by FISA

It's fun to work for us at NSA.
Much more fun than at YMCA.

We have everything for young men to enjoy
You can hang out with all the boys

... at NSA.

It's fun to work for us at NSA.

Young man, young man there's no need to feel shame
Young man, young man just enroll with us now
at NSA ... just go work for us at NSA.

Young man, young man, are you listening to me?
Young man, young man, what do you wanna be?
... at NSA.
